Parents will be invoiced annually and this fee is payable by 1 January.

Admission Policy for Current Students

Admission Deposit:

All current parents must obtain an **Academy Private School Fee Structure Form** from the school office for your child for the next year to complete, sign and return to the school as well as pay the admission deposit **by 30 November**. The **Admission Deposit** is R1400. The admission deposit is non-refundable should your child leave the school after 30 November as this deposit books your child's place in the class next year and we turn away other students who want to enrol. The admission deposit goes towards the next year January school fees. The payment of the admission deposit ensures your child's admission to the school next year. We receive advance enrolments (sometimes 2 and 3 years in advance) for grades which may result in a waiting list. Once we receive your admission deposit we will put your child on the appropriate grade list for next year.

E.g. January month school fees will be as follows: January school fees less R1400 due by 1 January.
