Conditions for Admission to the Boarding House:

Successful Applications

All successful applications are offered a place, in writing. In order to secure the place offered in the boarding house the following must be fully completed and signed:

1. This Boarding Application
2. The Boarding Contract
3. All boarding deposits are paid in full by the specified date.

If all the conditions to secure acceptance to the boarding house are not met and the completed forms are not received within 10 days of acceptance being granted, the offer of acceptance may be cancelled. This is to assist the large number of applications on the waiting list.

By accepting the place in the boarding house and signing the Boarding Contract, a parent/guardian agrees to adhere to and enforce all school and boarding house rules as well as terms and conditions of admission and enrolment. Parents/guardians must consider all the rules thoroughly, and request clarification if unsure.
